Let me start with, food was one of the most important parts of our wedding. Big Grill Catering & BBQ did not disappoint and exceeded our expectations. It's been a week since we got married & I'm still getting compliments on the food. On top of that Naomi was wonderful to work with and I am so happy that we hired them. Thank you to all of Big Grill Catering who cooked, served and we're apart of our wedding.

Julia and Daniel, July 9, 2022

Naomi and her team at Big Grill Catering catered our wedding reception in July 2022 and we are still getting compliments from our guests 6 months later! The food was delicious, communication with Naomi leading up to (and the day of) the event was seamless, and the staff were so helpful and professional. We would choose Big Grill Catering again and again for our big day and any special event in the future. Thank you for everything and we hope to see you again in the future!

You and your team did the most fabulous job for our daughter Megs wedding last July, despite the incredible storm that would have dampened most peoples efforts. You were amazing.

Hope you are all well, your food looks more amazing every instagram post I see!

Chris S, 2022

I just wanted to touch base and say thank you again, for all of the help, and fantastic food and service you guys gave us in May. The food is still something we hear about the most when people talk about the wedding (mainly that brisket lol). I hope you have been enjoying the summer.

Sarah and Josh, 2021

We just had these guys over the weekend for our wedding. Such amazing service and amazing food. Would recommend to everyone.

Nancy and Michael, 2021

We had an absolutely amazing wedding dinner. It was hot and fresh the menus are all so good and swapping out different things to make our menu exactly what we wanted. Naomi and the team were amazing, professional, and friendly I didn't stress about anything. The beef brisket and chicken were so juicy, and the pulled pork was perfect. I would recommend big grill for any catering needs they are hands down the best. Thank you so much Naomi and Big Grill.

Christine B, 2021

Big Grill has been to my workplace for many BBQ's and the food was amazing every time. I have also tried their homemade dill pickles and preserves which are so delicious as well. Kevin, Naomi and staff are always so friendly and professional. Would highly recommend!

Thank you again for everything! It went spectacular (from what I remember). Everyone is singing Big Grill's praises.

The food was amazing, and your service was just out of this world.

Tania, the coordinator with MacLaren was also signing your praises. They're updating their "preferred caterers" list and said Big Grill will be welcomed back with open arms.

Again, thank you for everything.

We are happily married and going strong 1.5 weeks in haha. We have nothing but good things to say about the food that you provided and the service! All of the food was delicious and you were both so friendly, thoughtful, and hard working! We really appreciate your patience with us trying to find our way through all of the COVID restrictions and the last minute numbers and location. You are more than deserving of the tip and the praise. We hope to use you again in the future. If you would like a review that you can use for future customers then we are more than happy to write one.

If we could give six stars to Big Grill Catering - we would without a doubt! Naomi and her team catered and served our wedding this weekend and were so far beyond our hopes for the food and service. Naomi came and found my husband and I when we were taking photos to bring us appetizers and drinks. The food was quite honestly some of the best we've ever had and every single guest raved about the quality of food, freshness and the staff. We will 100% call Naomi and her team in the future for our catering needs.

Heather Croft, CMHA York and South Simcoe, 2018

I wanted to thank you for your part in driving Ride Don't Hide 2018 to the resounding success it was! We have heard so many positive comments about the quality of the food! This is CMHA York & South Simcoe's signature event and together with our community, clients, sponsors, donors, media and the community we made a statement that Mental Health matters!

Stephanie Bloomer, 2018

What can I say about this amazing company. From the tasting back in September when we were planning, until the night of the actual wedding, their service was amazing. Naomi was quick to reply to emails, answering every question I had - the day of, her and her staff where quick when a bit of rain came down, friendly to myself and my guests, and so accomodating with my schedule - they waited to set up while we had our ceremony. Everything ran on time! Naomi, seeing that I was a bit overwhelmed and wanted to walk around and speak to my guests, set aside a generous plate and put it in my fridge for me to enjoy when I was ready to eat. THAT for me was excellent service in itself. Many compliments on the food, everyone loved it. Thank you again!!!!

Vanessa and Shaun, 2018

Thank you so so much. I have passed along your name 2 times this week. Hope they book with you.

I can't tell you just how awesome your food was. Omg. Sooooo good and your staff were fantastic. If you ever need any help please feel free to reach out to me ;)

Steph and Harry, 2018

You are very welcome for the review. I meant every word. We received so many compliments on your kind staff and the quality of the food. We have hosted dinner with friends and family for the past two nights, and it keeps being enjoyed!

On a personal note, I also wanted to thank you for you and your staffs humour and kindness when I was having my mini panic attack on the front deck waiting for Harry's nan. I think I've been a pretty cool and collected bride up until that point, but I was terrified of walking down that aisle with all those eyes on me. You offered me water, your staff made me feel normal with a few jokes and smiles... Honestly - thank goodness for you guys hahaha, or I may have started to cry!!

I look forward to telling everyone about your company!
Thank you again!!!

Jorge and Anna-Lisa, 2018

Where do I even begin to thank you for everything you and your team has done. The food at our wedding was fresh and delicious - your appetizers were a hit and people are still talking about how different and delicious they were!

Your staff was hard working attentive and fun- my guests felt very well looked after. My guests and I enjoyed our fresh steaks and tender chicken people were blown away by just how delicious everything tasted!

Our midnight table was a hit and that poutine and hot dog really hit the spot.

Thank you for making the other most important part of our wedding (other than our marriage ceremony) exceed my expectations. I would recommend you and your team to anyone who is looking for fresh, local on-site catering. Our hope is for continued growth for you and your business.

Melissa and Matthew, 2018

Nciole and Joel, 2018

Awwww thanks for the kind words! You guys killed it! The food and staff were amazing!!!
Honestly I don't know why we hired a day of Co-ordinator, I feel like you did way more
then she did! Joel and I really appreciated you and your team! It was sooo beautiful and
I'm glad you could be apart of it! I'm going to leave a review on your page!

Lynne, 2018

I just wanted to thank you and your staff again for your wonderful service at Katie and

A huge thank you to Naomi and the staff at Big Grill; they were amazing from start to
finish. Great communication, incredible food, and wonderful service. They were friendly,
on time, easy going, accommodating and we would certainly recommend them to
anyone!"

I just wanted to say thank you for everything on Saturday. With the chaos that was going
on at the time you were leaving, I'm sorry I wasn't able to say thanks.

The meal was delicious and the service was fabulous.

Casey and Alex, 2018

Naomi and Kevin catered our outdoor wedding in Orillia in September 2018 and our guests continue to talk about their professionalism, their staff, and how amazing the food was! Coming from Peterborough my wife and I were planning our Orillia wedding from afar but Naomi and Kevin continually stayed in contact with us throughout the whole process. They tailored the menu as we wanted and were efficient, accessible and accommodating every step of the way. On the wedding day we knew we didn't have to worry about a single thing and we can't thank you both and Big Grill Catering enough for truly making our wedding day a success!

Kaley, 2018

Thank you SO much for the wonderful service last night! We had so many compliments from guests on the quality of the food and the friendliness of your staff. No one left hungry!

I think you may have left the two coffee urns in the tent when you came to pick up the trailer - can I drop them off somewhere for you tomorrow? We will be away for the next week, but I could also leave them on the porch for you to pick up at your convenience.

Sarah and Charlie, 2017

I first want to thank you so very much for the amazing food and service. You well exceeded all of our expectations and more. The food was fabulous and compliments were from every single guest raving about each station! Your professionalism and set up were just as amazing.

Thank you for helping to make our wedding a dream come true!

Once again, thank you!!!

Thank you and Big Grill for absolutely everything!

From start to finish you were amazing to work with.

The food was to die for and we received the best compliments. A lot of our guests said it was the best wedding food they had ever had!

We couldn't have asked for a better wedding day- everything went flawlessly!

Amy N, 2017

We had the Big Grill cater our wedding on the weekend and it couldn't have been more perfect! The food was amazing and the service was exceptional. Our guests have been raving about the food! Thank you so much for making our day so incredible!

Abby and Corey, 2017

Thank you so so so much!!

It was honestly so great. Everything was perfect. I asked almost every guest if they enjoyed their meal and the pie - they all raved and raved that it was delicious! Even the coffee got a good review!

The poutine was a huge hit! I had two servings!

Your staff was great and you always checked in, which was awesome! The bartender was super nice! We just hope he stayed warm and no one catches a cold!

We do apologize if it was a little squished in there for the meal service - but the servers did great and all the food was hot!

And, thank you for trekking up that hill all night - I know it wasn't easy, but your whole team was awesome!

Thank you, thank you, thank you,

Sarah W, 2017

I just wanted to reach out and say thank you again to you, Kevin and your staff for everything on Saturday. You were amazing to work with leading up to the day and everyone had nothing but amazing things to say about the food and service you provided. Both Johnathan and I were more than happy with how everything turned out so thank you again for everything including dealing with the crazy cold August weather! (who would have thought!)

I will without a doubt recommend your services to anyone who asks so thank you again!

Jess and Ian C, 2017

I'm so sorry for the delayed response to your incredibly kind email, but we have been very busy trying to get back to real life and I didn't want to just send you some super quick thank you!

I can't tell you how happy we were with you and the whole experience of planning this with you. Ever since the beginning you have been helpful and accommodating with our requests and menu and it all turned out fantastic.

We and our guests loved the food so much! It has been a week since our wedding and we still are getting compliments on the food and service. Everything was absolutely delicious and our DJ (along with many other guests) told us that it was the best wedding food he had ever had! The pulled pork and mashed potatoes were the biggest hits!

We were so happy that we had leftovers to bring home so that we did not have to worry about lunches and dinners. When I finished the mac and cheese I was so sad haha. Ian says that he could happily eat the wings and pulled pork for months!

I want to also thank you for all of the little things (that were a huge help) that you and your wonderful staff provided on our day. Setting up the cupcakes and being so helpful and kind to all of our guests, it is greatly appreciated.

We are so happy that we chose Big Grill Catering for our wedding day and will definitely be recommending you to anyone who wants great service and BBQ at their event!

Thank you so much again for everything!!!

Dave and Stef, 2017

Thank you very much for everything. The food was great and all your staff was awesome and friendly.

Rob and Fran, 2016

We just wanted to say a huge thank you for your help in making our wedding such a wonderful event.

We have heard nothing but compliments for the fabulous food. The pork, the chicken the salad and the pies were all out of this world and everyone continues to rave about the meal.

While the cooking was great I want to take a moment to compliment you on the quality of your staff. They worked so hard and so quickly and went way beyond what we were expecting, helping us clear tables for the dancing they were all terrific and in spite of how hard they worked I saw nothing but smiling faces all night long.

Also a big shout out to your bar tender, he became everyone's best friend and did a great job hanging in there late into the night.

Thanks again, we had a beautiful day and you, your crew, and your wonderful food were an integral part of it.

Tara and Shane, 2016

Thank your kind words! But mostly, thank you for your service! Like you said, your staff was awesome and the food was awesome! All my friends and family said the same! Kerry and Chris, 2015

Thank you so much for catering our wedding on Sept 6 at Holland Marsh. I can't believe how hot it was and yet the servers were so friendly and upbeat the entire time. Your set up looked really cool as well. You can really tell how well organized and professional you are.

As for the food.... it was perfect!!! Everything was so delicious! The food is the #1 compliment we have received about our wedding with many people saying that was the best steak they have ever had. We were cutting them with butter knives! The chicken was so juicy and flavourful as well. I myself still cannot get over how amazing the raspberry pie was and Chris was in heaven with the scallop potatoes.

THANK YOU AGAIN for joining us and we will definitely be recommending your services to others :)

Bonnie Frye, Hands Across the Nations, 2015

Kevin and Naomi provided appetizers for the Hands across the Nation's annual Wine and Gourmet Fundraiser, April 11, 2015.

The appetizers were amazing! They took the name of our event to the tenth degree....everything over the top, chef inspired gourmet! Everything cooked to perfection. Our 254 guests were raving about the appetizers all evening.

A big thank-you to Kevin and Naomi who not only produced these yummy tidbits, but also donated their time and expertise to help make our fund raiser a real success.

I highly recommend the Big Grill Catering for your next event, you won't be disappointed!!!

Kyle, 2014

My wife is still beside herself and still doesn't know what hit her.

Your staff were incredible in the limited interaction that I did have with them. The BBQ was delicious and exceeded all expectation I had. BBQ I think may be a trend I start seeing at all future weddings I attend with any guests I had at my reception!! You guys will be highly recommended by my wife and I as well as anyone who attended.

Thanks for all the work you guys put in.

Nancy Noble, 2014

They say that there are two things that make a wedding reception truly memorable: the food; and, the venue.

Our country wedding had a beautiful country backdrop and the food was fabulous; so it was truly a memorable day.

BIG GRILL CATERING delivered on every front: the creative afternoon appetizers, professionally served across five acres of lawn and garden were delicious; the sophisticated dinner with beef, fish and chicken satisfied all different tastes; and, the late-evening snack of pulled pork and cookies capped off a day of culinary delights. Your planning and set-up for supplying three separate meal events across a 9-hour day of activities to 300 wedding guests and 50 volunteers was superb, and your execution was flawless. Your use of fresh, top quality ingredients helped to define the excellence of your service.

Naomi and Kevin, you and your team excelled on the day and exceeded our expectations. From the day we met it was obvious you were both committed to make this day special. From the taste testing to the menu planning and final execution on the day your service was personal and professional.

Thank you for your attention to detail and for working so well with all our volunteers. Your contribution to a great day make Matt and Leanne's Wedding, a country wedding that no one will soon forget.

Apryl Lark, 2014

★★★★★ One word: Amazing! Thanks again Kevin/Naomi and team for making my wedding the most memorable day (June 21st, 2014). Every single guest raved about the food, from the bruschetta appetizers, to the late night pulled pork and poutine buffet. Your team went above and beyond what was expected, helping us through some last minute hiccups which smoothed out the entire day. Your staff were phenomen...al, the set-up beautiful and you made sure myself (bride), my husband and the bridal party were always taken care of... even when we were a little too busy to remember to eat. I can't say enough about our experience with your team and will 110% recommend your services to anyone looking for an all in one caterer. Thank you, thank you!

Louise, 2014

Kevin, we wanted to thank you for such an amazing dinner, it was so perfect for our venue and how we pictured the evening! Everything was delicious and people kept commenting on how great it was to have a BBQ at a wedding. Thank you and please pass along our thanks to your team – they were all great!

Angelique, 2014

May I say that was the best wedding food ever! Every one agrees!

Thank you so much for your amazing care and professionalism. Your staff was fantastic, too!

Andy and Marilyn B, 2014

A "HUGE" Thank You to Kevin & Naomi Finch & their staff of Big Grill Catering.com for the "BEST" tasting food & presentation of a charcoal BarBQue wooden cabin style food truck eatery that will forever be the talk of many BarBQues & gatherings to come!!! Absolutely excellent!!! Andy Bradley's 50th Birthday 100 Person Party!

Kathryn H, 2014

My daughter was married on September 20th at the Markham Museum. She wanted her wedding to be rustic/vintage and a little bit different. When I first read about Big Grill Catering I didn't know what to expect. The idea of catering trucks and the use of food produced locally was intriguing and different! From the first contact with Naomi, I was impressed. She met with my daughter and explained the menu that had a wonderful variety of choices and offered suggestions and combinations from the appetizers to the desserts. Naomi also suggested homemade jams and jellies made by her in-laws at their farm for the favours for the guests. They were a big hit. When the menu was chosen, we were able to taste what we had picked. It is hard to pick a word to describe the taste of the food although fantastic, scrumptious and heavenly come to mind. My daughter had gone to Vancouver Island to start her new career and I was left with the rest of the planning of the event. I had many questions and Naomi was quick to reply and address my concerns. She also worked well with the wedding consultant I hired. On the day, the truck, the staff, Kevin, the fabulous chef, and his wife Naomi arrived early and worked along side the event planner to transform the hall at the museum into a rustic but elegant venue that my daughter had dreamed of. The appetizers served out on the terrace were to die for, hot and tasty. And the dinner.....? Impeccable service and mouth watering food! The salad showed off the local produce without being overpowered by the subtle but tasty dressing. The main course was served hot and cooked to perfection. The variety of desserts met everyone's tastes. Simply superb! Many, many thanks to Naomi and Kevin for making my daughter's wedding day so great. After commenting on how beautiful my daughter looked, everyone raved about the food! A job well done Kevin and Naomi. Thank you!

Just wanted to let you know how many compliments Ali and Steve received on their choice of caterers. Everyone truly enjoyed everything, from the hors d'oeuvres through the entree, right through to the late night eats table.

They always wanted a memorable meal at their wedding and you provided this 110%. We loved the fact that you specialize in local produce for the meals you create and the food was superb.

I would never hesitate to recommend you to anyone that I know that needs catering.

Kevin and Naomi provided appetizers for the annual HATN Wine and Gourmet Fundraiser, April 11, 2015.

The appetizers were amazing!

They took the name of our event to the 9th degree.....everything over the top, chef inspired gourmet! Everything cooked to perfection. Our 254 guests were raving about the appetizers all evening.

My favorite was the Bacon Wrapped Asparagus Spears and the Mini Ontario Pot Pies.

A big thank-you to Kevin and Naomi who not only produced these yummy tidbits, but also donated their time and expertise to help make our fund raiser a real success.

I highly recommend the Big Grill Catering for your next event, you won't be disappointed!!!

Chef Finch and Naomi at Big Grill Catering,

Thank you so much for all your hard work and AMAZING food at our wedding. We love barbecue and wanted it to be part of our day. Even the smell of the food being made on-site was incredible.

You nailed it with the hors d'oeuvres, dinner, dessert, and late night buffet. We had so many compliments on the food including many people commenting that it was the best "wedding food" they have ever had!

We would highly recommend your company to our friends and family who appreciate great food and service.

Keith and I picked up the 10 back bacon sandwiches early this morning so I could take them to work. They were a huge hit - everyone loved them! They're going to check out your stands at the Newmarket and aurora markets. Thanks for making them up early this morning!

What a pleasure it was to do business with you! The food was fabulous, and everyone was raving about your roast beef at the wedding and after. It was magnificent. The wedding was a huge success, in large part because of your efforts. Thank you so much for everything. You are a real professional, and it is obvious you love what you do. I would recommend your services to others and look forward to you catering our next event.

★★★★★ I had Big Grill Catering come out for my Daughters Wedding this past Weekend (June 21st), not knowing much about them to be honest. All I can say is they were amazing. Kevin / Naomi and Team went way above and beyond what we had expected from a caterer. They were responsive, caring and truly understood the importance of the day, We had some last minute glitches with some of the setup, which had nothing to do with them ,and the Big Grill Catering team was there again to help me resolve them, which they did without question. The compliments on the food and attitude of the servers was fantastic, second to none . (No I dont work for them) This was a truthful real life experience and they helped Make it the best Wedding Day my Daughter could ever of wished for . THANK YOU Big Grill Catering Team

There's a lovely line in a Seinfeld episode where George saves a whale that's beached and he says to Jerry, 'The sea was angry that day my friend, like an old man returning his soup at the deli...' Well, we weren't angry but from mid-summer our club house has been without heat or lighting and this had left us in a less than happy mood: there we were, seventy five senior citizens (and the odd youngster in their fifties) looking at the clock and prepared to take no prisoners when, at five to five on the dot she arrived, our caterer with a car load full of grub. Too much grub as it turned out.

Big Grill Catering did us proud: the hot food was hot and the cold food was cold - a simple remedy for success that many a restaurant ignores. And it was good food and exactly what was ordered to quell the rampaging old folk who didn't believe they could be satisfied two years in a row by Big Grill.

The utensils were laid out, the special containers with the food opened and all the goodies in the cooking dishes were transferred to the shiny and sparking pans set up by Big Grill. They did it all.

It was a simple meal, but often they're the ones messed up 'cos we all know how they should taste. We weren't disappointed:

- A lovely crisp and fresh 100 Mile Fall salad, made with local ingredients
- Roast beef that was cooked just right, with a (hot) mushroom gravy
- Grilled chicken breasts that were moist and complemented with the right amount of herbs and seasoning, and
- Herb roasted potatoes that were scooped up pretty quickly, partnered with 'In Season' vegetables, that old folk don't get enough of (or the young, for that matter)

And, unlike the old man at the deli, there was nothing left to return.

A job well done, Big Grill; we'll see you next year.
